

1 – Game Label

Game Theme: Bingo

2 – In-Game Screen

Game Characteristics:

The objective of the game is to bet on the outcome of 20 randomly drawn numbers out of a total of 80 numbers (1-80).

The following steps make up a game:

1. The player places his bet on any number of choice (up to 10 bets are possible per game – 1 bet per number only).
2. 20 Numbers are drawn
3. Winning bets are paid out according to the games payout table.
4. If possible, 2 Extra Balls can be bought for the same bet placed on the initial game.
5. Information about possibility to buy Extra Balls can be obtained from the games payout table.

Bet Options:

Any number between 1 and 80.

PAYTABLE (Top Award: 2000 x Bet):
