*Wherever you go!*

# the next level

## Professional gaming at your fingertips

- ▶ Let your visitors enjoy casino games at the hotel room, the bar, the spa, your resort's beach, wherever THEY want.
- ▶ Enjoy established APEX slots games from our large collection on the tablet.
- ▶ Connect to APEX Roulette and enable mobile gaming on your automated and live-roulette tables.
- ▶ Benefit from the advantages of pure server-based gaming: realtime results, absolute control and configurability, resistance against player manipulation.
- ▶ Choose from a wide variety of 7" and 10" devices. Also available as high-quality 10", 15", and 22" stationary solution.
- ▶ Game experience optimized for touch devices. Beautiful graphics, animations and sounds right at your fingertips.
- ▶ User-friendly, state-of-the art web interface for cashdesk and management operations.
- ▶ Remote accounting access possible for management. See your casino's result right on your notebook, tablet, or even phone, wherever you are.
- ▶ Attendant access right on the tablet using RFID identification cards. Pay-in/out your customers wherever they are in the casino.
- ▶ Detailed real time accounting with game and overall statistics on a tablet and casino level.
